Changes at Lawrie Rd Community Recycling Centre

Lots of people have been doing big clean-ups over lockdown and are waiting for us to re-open our Community Recycling Centres under Level 3 to dispose of stuff. When we re-open you need to be quick if you want to go to Lawrie Rd.

Lawrie Road Community Recycling Centre will temporarily close for redevelopment: with support from central government, Auckland Council is undertaking a \$2.4m redevelopment of the Lawrie Road Community Recycling Centre. When Auckland moves to Level 3, the site will remain closed for three working days to prepare to operate under Level 3 restrictions. It will then open for **six days from 8:30am - 4pm for rubbish, green waste and scrap metal drop off**, before closing for approximately six weeks. While the Lawrie Road site is closed, the **Rustybrook Community Recycling Centre**, 141 Rustybrook Road, Wellsford, will be open from **10am - 2pm Tuesday - Sunday**.

Thank you for your patience while these important improvements are undertaken.

As current site operators, Mahurangi Wastebusters is supportive of the

redevelopment as we think it will be a great outcome for the community longer term. We apologise in advance for any inconvenience.

Please note, under level 3 restrictions we are only permitted to take rubbish, green waste and scrap metal. So please save your recyclables and re-usables for taking to Rustybrook Community Recycling Centre under Level 2.

Keep an eye on our website for the day we re-open.
